#### Sunset Club:

Fresh fruit and water are available for the children to access throughout the session. On top of this, we offer the children a light snack at around 4.00/4.30PM. This can include things such as bagels, pizza muffins, pancakes etc.

### Activities:

While your child is at Sunrise & Sunset club, they will get up to a wide variety of things from cooking to sports, crafting to quizzes! We try to very much plan around the children's interests and get them involved in planning what they would like to do each term. Alongside the planned activities, we also have lots of free choice play both inside and out. The older and younger children do mix while at the club so, if your child has an older sibling they can chose to spend time together if they wish.
